- We offer two Career Camps, each for a week of exploration and fun including field trips, hands-on activities and College Night.
- UFCC (Urban Forestry Careers Camp) is held on the University of Maryland's flagship campus in College Park.
- NRCC (Natural Resources Careers Camp) is located in the scenic mountains of Garrett County at the Hickory Environmental Education Center.

"This was by far the best week of my life! I met so many great people and got to learn so much. I think Urban Forestry is my calling in life and I'm excited to pursue it with my new amazing friends by my side! This camp is so much more than a basic forestry camp to me."
