

NATURAL RESOURCES CAREERS CAMP

JULY 18-24, 2027

Discover what your future could hold!

Offered to students currently enrolled in, entering, or recently graduated from high school– a fun and unique opportunity to learn about natural resources and related careers in the scenic mountains of Garrett County, MD! Click the link below and follow the steps to submit your application and letters of recommendation.

College credit is available from Allegany College of Maryland upon completion of an optional exam at the end of camp! The credits will transfer to most Maryland community colleges and several four-year colleges and universities.
